SUPREME COURT REVERSES THE SMITH CASE

Decision of Lower Court Giving Las Vegas Doctor \$9,000 Against State Insane Asylum Board Turned Down

(Special Dispatch to Evening Herald)

Santa Fe, N. M., June 6.—The state supreme court today reversed the decision of the lower court in the case of Dr. H. M. Smith against the New Mexico insane asylum board of managers, in which Smith, who sued for alleged breach of contract, was awarded approximately \$9,000 damages.

MAY BE FORCED TO AMEND TOLLS REPEAL BILL

Maneuvering of Norris Resolution and Break by Vice-President Leaves Senate Democrats in a Hole

(By Special Wire to Evening Herald)

Washington, June 6.—Democratic senate leaders found themselves confronted with a parliamentary situation today which may force them to accept an amendment to the Panama-exemption repeat bill, reaffirming the sovereignty and rights of the United States over the canal zone.

It was discovered that Senator Norris, Republican, by parliamentary maneuvering and aided by a ruling of Vice President Marshall, which some senators say was a technical error, has forced to a point of advantage his resolution providing that nothing in the repeat shall be construed as a surrender by the United States of its right to exempt coastwise vessels from tolls. Democratic leaders, after examining the situation, are said to have found that the Norris resolution which is now in a strategic position where it commands a vote before the repeat bill itself, or other resolutions pertaining to it, has enough votes in its support to make it a dangerous quantity to their program.

Confronted with such a situation, Republican supporters of the Norris resolution say the Democrats are preparing to offer a resolution of their own, substantially the same, and that Mr. Norris has practically agreed to accept it.
